WE'RE HERE TO HELP

Planning a wedding can be super stressful. When you're worried about wedding photography, catering, and flowers, spending time + money on favors is the last thing you want to do.

How can you offer your guests a personal gift of appreciation that is super easy and affordable?

Make edible wedding favors in under an hour!

Find the step-by-step tutorial at garlicdelight.com/wedding-favors.

IN THIS PRINTABLE

In this printable, you'll find labels designed for tea and coffee wedding favors. Print these labels on the Avery 2" x 4" Shipping Address Labels, template 8163.

You can print them in color or black and white. You can fill in your names and your wedding date on the label (or leave them blank).

Find a list of all the supplies you need for these homemade wedding favors at garlicdelight.com/wedding-favors.

If you run in any issues, feel free to email me at anna@garlicdelight.com.

Most importantly, have fun!
